

NORMAFIX® Cable tie

Quick and safe securing of cables

- ✓ Made of Polyamide 6.6 for optimum resistance to extreme temperatures, bases, oils, greases, etc.
- ✓ Low-friction material coefficient allows a faster installation
- ✓ Bent rounded tip allows easier insertion through the head of the cable ties
- ✓ 6 different colours available, white, black, red, yellow, green and blue

NORMAFIX® Cable tie

Applications

Cable tie is well suited to applications that require a complete fixation, e.g. for:

- Electrical installations
- Industrial cabling
- Automotive cabling
- Marine cabling
- Panel building
- Special applications

Materials

Group PA 6.6

Band width (mm)	Description	Max diameter (mm)	Part number						Packaging quantity (pcs)
